MORE WAYS TO EXPERIENCE ALASKA

Alaska is a place of true wonder and excitement where knowledge and insight are as important as adventure and experiences. Here at Regent Seven Seas Cruises®, we aspire to give you the ultimate luxury Alaskan holiday. In spring 2021 we're thrilled to introduce the luxurious *Seven Seas Explorer*® to Alaskan waters for the very first time. Experience this vast and incredible region in the utmost comfort and elegance as you go from shoreside adventures to onboard pleasures seamlessly.

ONBOARD IMMERSION

GUEST SPEAKERS

As part of our commitment to an immersive Alaskan experience, we provide you, our guest, with many ways to engage and expand your knowledge onboard. With guest speakers from local ports, you'll gain an understanding of the traditional cultures and way of life here. In Skagway, for example, learn about the *Iditarod* as you hear from and meet a professional musher and one of his sled dogs. In Juneau, watch in awe as a local *Tlingit* weaver artist comes on board to demonstrate her work and share her heritage. Discover the beautiful Huna history in Icy Strait Point as a member of Eagle moiety and *Chookaneidi* clan joins you on board. There are so many more opportunities to uncover and delve into the local heritage.

LOCAL TASTES

On board, you can even taste the incredible cuisine of the region with the daily catch on board, from salmon and sole to halibut and crab. Or, bring back your own fresh fish from your shore excursion to enjoy an onboard delight prepared just for you. Pair it all with the perfect Alaskan craft beer, brewed with pristine waters and other local touches that set them apart as being truly authentic.

We believe authentic and unique experiences are what make Alaska such a breathtaking destination. That's why we're proud to offer a vast collection of FREE excursions in every port of call. After all, where else can you face the exhilaration of paddle boarding among the glaciers? Feel the wind and ice on your face as you dog sled down a mountain?
