**Alvaston Hall** is really quite different to the other historic hotels having its own special atmosphere.

Last year saw major refurbishment which has created a real wow factor in both the public areas and new rooms.

It has a unique Cabaret Diner where following dinner the show unfolds before your eyes from the comfort of dining seat.

Alvaston does not have such huge grounds but does have its own 9 hole golf course.

At the top of the drive you can catch a local bus into the centre of historical Nantwich just minutes away with plenty to see and many shops.
