## River Cruise...Secrets Of The Douro 6th July 2024

A symbol of Portugal's birth and growth as a nation, the Douro has long been the country's life-line. Leaving the pastel-coloured metropolis of Porto, venture through the enchanting countryside. Terraced vineyards rise from the river banks, historic landmarks pepper distant horizons and charming townships lay hidden in the rural hillsides. Salamanca shines both day and night and a kayak experience in Pinhão provides a new perspective on the Douro.

The Emerald Radiance is Emeralds most intimate ship to date, with a capacity of just 112 guests. Paired with the crew-to-guest ratio of 1:3, this low capacity accommodates incredible levels of service. Purpose built for Portugal's warm climate, the Sun Deck aboard the ship provides ampler opportunity to sample the sun and gentle river breezes. The open-air aspect includes The Terrace, the perfect place to enjoy a bite to eat and a drink or two with new friends. Or if you fancy a plunge, the Serenity Pool on the Sun Deck is the perfect place for a few lengths before breakfast, under the beautiful Iberian sky.
