Your outline itinerary

DAY 1 :Travel to our hotel in the picturesque town of Leatherhead. With a stop of interest on route.

Tonight with your 3 course dinner enjoy a complimentary Silent Pool G&T you get to keep your amazing blue & gold glass! After the meal there is a fun & informative talk about the distillery and how they make gins, liqueurs & vodka. You will have the opportunity to sample & purchase if you wish.

Day 2 : After breakfast we will have a lovely day visit organised before tonight's wine dinner.

Passion for wine has no limits. At this tasting you will be sampling a selection of hand-picked wines from all over the world. You will be treated to a glorious dinner and our wine professional will pair a delicious wine with each course and explain its history and the reasons he has chosen that particular wine. At the end of the meal you will be able to sample more wines and chat to the expert and purchase the wine of your choice at a special price. Whether you're a wine connoisseur or just a wine lover. A wine-tasting party is fun for novices to sophisticated wine drinkers.

DAY 3 Today's following a leisurely breakfast we check out and start our journey home enjoying another interesting stop on route back to the East Riding around 6pm.

The proposed itinerary will depend on local covid regulations for visit but as always I promise you something interesting.

I look forward to you joining me. *Marion*
