Winter Warmer Lake Windermere

24th January 26, 4 days £420_{pp}

We will enjoy a great itinerary as always.

Throughout this tour we will drive through stunning scenery & include interesting visits including on our journey to & from the Lakes.

The itinerary is still in the making and the finer points will be covered nearer our departure.

As we experienced in 2025 our visits had to change due to winter closure of many attractions.

A fabulous tour to enjoy along with good company and laughter & banter during the shorter days of the year and banish those "dark day winter blues".

A return to the fabulous LAKESIDE Hotel & SPA

A 4-star Superior Hotel is positioned on the southern shore of Lake Windermere, part of the Lake District World Heritage site, in England's most beautiful corner.

We visited the hotel in January 2026 it was a fabulous relaxing break in a super location. Delicious fine dining inspired by fresh local produce. Full leisure facilities pop for a dip in the pool or arrange a spa treatment there were super deals on in 2025.

Lakeside is the perfect place to escape and it is a seamless blend of country house character and contemporary four star luxury, which makes you feel right at home.

Dinner is 3 lovely courses served at your table & breakfast offers a wide choice.
