**St Mary's Hall Hotel:** Elegant townhouses reflect the relaxed & timeless lifestyle of the Isles of Scilly. Positioned just a short level walk from the heart of Hugh Town and under two minutes away from Porthcressa Beach and Town Beach. With options to relax in the garden with a good book or a cold drink.

All our rooms are light, comfortable, with large beds, soft white towels and luxury bathrooms. Food is very important, from where it is sourced to the purchase of ingredients, an ethical policy supports a passion for seasonal and local produce. Fine, slow reared beef, pork and lamb from their own farm are at the heart of all menus.

Among the nearby attractions on St Mary's are the Isles of Scilly Museum and Silver Street Gallery, including the working studio of a local artist. Ferry boat trips to other islands depart from St Mary's harbour, located just minutes walk from the hotel.

Following our late afternoon ferry crossing back to Penzance we overnight on route to East Yorkshire including B&B.
