A visit on route

Studley Castle Warner leisure hotel's newest member of the family. A beautiful hotel curating more the 180 years of history, but utterly modern in outlook. It is a perfect setting for a short break in relaxing Warwickshire. We have included two half day excursions to allow you time to get to know Studley.

There will be plenty of entertainment with well known songs from the 80's. Starring Toyah Wilcox, a tribute to the Human League, the voice of Boy George along with a tribute to Whiney Houston by Michelle Lawson. Followed by a late night DJ.

Here is a comment by a regular guest

"We visited a few weeks ago and it truly is a stunning Hotel. The décor is quirky, food gorgeous and staff there were so friendly."
