BOREALIS

A vibrant, feel-good celebration of dance, this special sailing brings together ballroom, Latin, line-dancing and so much more, all with a touch of festive sparkle. Designed for everyone, not just dancers, it offers the chance to watch, learn, take part or simply soak up the energy. Olivier Award-winning choreographer Dame Arlene Phillips and professional dancer Ian Waite will join us on board for special events, including 'An Audience With' sessions and meet-and-greets, while Ian will also host an exclusive masterclass. Enjoy workshops, social dance sessions, film screenings, production shows and visiting entertainers, before a Gatsby-inspired finale party with a festive twist. Between the on-board highlights, discover Amsterdam's seasonal charm and Honfleur's harbourside beauty.
