## Fred. Olsen Cruise Lines

Fred Olsen cruise lines are our favourite cruise line at Marion Owen Travel sailing directly from the UK. Enjoy the carefree start to your holiday boarding your ship without having to fly. Travel from your door is always available as an optional extra from just £75 per person when booking your cruise with Marion Owen Travel.

Fred Olsen Cruise lines are family owned cruise line involved in shipping through many generations. I always recall my father saying Fred senior was never afraid to roll up his sleeves and get involved. Whilst on their cruise around South America a swell developed when a tender was out - Fred was leading the way to secure it along with the sailors!

As international cruising is now allowed to re start and we all are looking for a change of scenery I want to highlight that Fred Olsen offer a host of different cruises staying close to home or visiting just one country for example Norway or Iceland.

Nobody knows Norway better than Fred Olsen or local coastal voyage Hurtigruten. I always see something special when I cruise Norway with Fred Olsen. Perhaps leaving port a tad early to do a little de tour for a spectacular view that turns out to be the icing on the cake and a memory not to be forgotten.

When cruising in Norway I always say you see lots and do nothing. You just sit back and relax and enjoy the moving scenery it is simply wonderful. My favourite itinerary for 2022 is Arctic Fjords & the Midnight Sun.

A cruise on Fred Olsen has something to suit everyone. Superb entertainment from evening shows in the Theatre, pub quizzes, enriching lectures, fabulous libraries for those looking for peace & quiet, card rooms and spectacular views from the observatory day and night. For the energetic you will find a gym along with pools on board all ships for those who like to swim. Why not enjoy a pamper in the Spa? I enjoy a massage at sea but you may prefer manicures, pedicures or simply having your hair styled.

Gratuities are not included in the standard fare but a few £'s are added to your on board account. I never begrudge these tips as the service is second to none. Staff regularly go beyond their duty.

Drinks inclusive packages are available, in general if you enjoy wine with lunch and dinner plus a drink before dinner then you are already in pocket and any other drink you order throughout the day is a bonus!

I look forward to the opportunity of telling you more about Fred Olsen. I know the fleet inside out and love all of these smaller ships including the new Borealis, she was my favourite ship in the Holland America Fleet. Give me a call on TEL: 01482 212525 I am available normal hours or our office is open for you to visit in person 10am to 2pm Mon-Fri. Marion.

Don't just take Marion's word for it  
 here is what Fred Olsen have to say....

## **REASONS TO CHOOSE FRED. OLSEN CRUISE LINES**

Come with us and the world, as they say, is your oyster. We are proud to run a very happy ship and you'll notice it from the moment you step on board. It's the difference between being treated as a 'passenger' and treated as a guest. Sail with us and we think you will also appreciate the Fred. Olsen difference – it's the reason more guests return to us than any other cruise line.

### **WE ARE A FAMILY-RUN BUSINESS:**

As a family-run cruise line, we really take your experience personally. Our Chairman, Fred. Olsen Jnr, is very hands on. It is his passion and attention to the smallest detail that ensures a wonderful journey, each time you sail with us.

### **WE HAND-CRAFT EACH OF OUR ITINERARIES:**

We have a small team of specialist itinerary planners. They take great pride in hand-crafting each journey, to ensure we show you hidden gems as well as highlights on each of our sailings. It is a passion that has won us the Cruise Critic award for Best Itineraries every year since 2015.

### **OUR GUESTS LOVE COMING BACK AGAIN AND AGAIN:**

We are very proud of our cruises, and our guests seem to love them too. With our quality standards, attention to detail and warm and friendly service, industry research shows we have the highest percentage of returning guests when compared with other cruise companies.

Highest return rate source National Survey YouGov September 2019

### **WE SAIL FROM SIX REGIONAL UK DEPARTURE PORTS:**

With our six regional departure ports, the world is on your doorstep. You can join our sailings from Rosyth (Edinburgh), Newcastle, Liverpool, Dover, Southampton and, new for 2021, we are adding Portsmouth to the list.

### **OUR SMALLER SHIPS BRING BIG BENEFITS:**

While the cruise industry has gone for bigger ships, brimming with more and more people, we have always believed that smaller is better. We treat passengers as guests, we dock at smaller ports in more interesting places and we avoid overcrowding both aboard and ashore. At capacity, our smaller ships will only ever sail with between 900 and 1,400 guests.

### **YOUR CRUISE IS PROTECTED WITH OUR ENJOYMENT PROMISE:**

So you can always book with complete confidence, if within 48 hours of sailing you are not enjoying your cruise, we will arrange to take you home at our expense and give you a full refund. This is in addition to our Plain Sailing Guarantee
